Come in Miss Virginia  
Long way from Thunder Bay  
Promises and favours  
Down on the motorway

**Am F**                      **CF C F**

*All my life .... I've been sheltered*  
*All my life .... I've been scared*

Down in the broken valley  
Swingin' on a broken vine  
Drown in my whiskey wages  
Waiting for you to rise  
*All my life .... I've been restless*  
*All my life .... I've been spared*

**Cm**

**Gm**

Daddy's gonna make you a great big star  
Do all he can for me

Daddy's gonna make you a great big star

**[F]** He says everybody shines **[Gm]**

Daddy's gonna make you a great big star  
Do any thing he can

Daddy's gonna make you a great big star

**[F]** He says everybody shines ....tonight
